October 14, 2008

Disease Prevention Professionals:

Effective May 1, 2008, the County Commissioners contracted with Hamilton County Public Health for management of the Tuberculosis Control Program. We joined the HCPH Communicable Disease Program with TB Control to form the new Division of Disease Prevention. The Hamilton County TB Control Program continues to provide services to those who live and/or work in Hamilton County. Our location, as it has been since 1999, is 184 East McMillan St. Cincinnati, Ohio. Our contact information remains the same, as noted in the attached clinic information sheets.

Dr. Lisa Haglund is still the TB Program Medical Director (946-7616);
Joel Hoskins is still the TB Registrar for Hamilton County and the new Clinic Coordinator (946-7604);
Pat Allingham is the new Program Director (946-7609);

Please note that after-hours calls related to tuberculosis should be directed to 946-7600. By pressing 0, the call will be forwarded to the Hamilton County Communication Center and onto to the Public Health Infectious Disease Call Center, 877-774-4636, (877-7PH-INFO).

Please share this information to your hospital Emergency Department Staff.

Thanks for your attention to this matter and I apologize if my earlier communication was unclear. Please feel free to contact me if you have any additional questions about the Hamilton County TB Control Program or Hamilton County Public Health, Communicable Disease Program.
